Work experience

Master Data Specialist - Ossur - 2023

- Developed impactful solutions for managing the customers and vendors data in CRM and SQL systems.

- Worked with large datasets, focused on customer data and analytics

- Managed item orders and maintained the relevant data to control the processes and licensing

Website development - Freelance - 2024

- Developed a personal portfolio website showcasing my projects, skills, and experiences. This project involved creating a visually appealing and responsive design using modern web technologies such as React, CSS, and JSX. The development process included building reusable components, implementing animations, managing state, and deploying the site using Netlify for seamless delivery. Focused on accessibility, mobile responsiveness, and providing a smooth user experience. Used HTML, CSS, JSX, Netlify, React, ViteJS, AOS, EmailJS.

Airbnb Host and Real Estate Agent - Simon Mamo - 2024

- Got to know the basics of hospitality, most common needs of the guests, financial expences while hosting 3 rooms in the apartment on an online platform

- Explored the real estate market to be competitive on the platform, used multiple marketing tools and techniques to make the sales

- Communicated with a lot of clients and the real estate owners

Bartender/Waiter - Sphinx (Poland), The Brew, Premier Hall (Ukraine) - 2019, 2022-2024

- Got a lot of knowledge of preparing beverages, mixing cocktails and managing the bar correctly

- Learned all of the aspects of serving the clients on a highest level and making sure their dine in the restaurant would be on the highest level

- Learned how to manage the working space and make it as efficient as possible

Shop Assistant - Lidl (Poland)- 2021-2022

- Was responsible for ensuring an exceptional customer experience through efficient and friendly service

- Operated the cash register, handled customer inquiries, and supported the team in meeting sales targets

- Learned how to manage the working space and make it as efficient as possible

- Gained the ability to work well under pressure in a fast-paced retail environment
